

BRAIDED HAIR EXTENSIONS CLIENT RELEASE

The undersigned has been advised, by the service technician, that hair extensions/weaves have a high degree of client expectations that cannot be met by the service. Braided Extensions require considerable upkeep and delicate shampooing. You may experience mild to severe discomfort while wearing them, and in extreme cases they may cause headaches. Mitchell's Salon & Day Spa, Inc. recommends that you proceed with your service only after a thorough consultation requiring a 50% non-refundable deposit, during which you are given the opportunity to have all questions answered. If for any reason the extensions/weaves require removal, the Stylist doing the original work must do this, and there will be a charge for removal. No monies spent on extensions/weaves will be refunded for any reason.

The undersigned, being of lawful age, does hereby forever release and discharge Mitchell's Salon & Day Spa, Inc., it's employees and agents, successors and assigns for and from any and all liability, claims, demands, damages and causes of action resulting from the rendering of service or services named below.

The undersigned further agrees if any service rendered requires further procedures, the additional services shall be at regular cost.

The undersigned declares that they fully understand the terms of the Client Release and hereby certify that they have carefully read the forgoing Client Release and understands the contents thereof and sign the Client Release as their free act with the intention to be legally bound hereby.

Braided Hair Extension Home Care Maintenance

1. Shampoo & Condition Scalp with stylist recommended products.
 - a. Mix **Clarifying** Shampoo and water in spray bottle (1:1 ratio). Shake and then spray at the root.
 - b. Gently massage hair (fingertips only) and rinse as normal.
 - c. Mix Conditioner and water in spray bottle (1 ½ :1 ratio). Shake and spray all over roots to ends and let sit for 10-15 minutes.
 - d. Gently squeeze out excess water with towel.
 - e. Wash and condition 1 time per week for oily scalp, once every two weeks for dry scalp.
2. Oil Scalp with stylist recommended products.
 - a. Use oil at least 1-2 times per week to keep scalp moisturized. Lightly squeeze oil through all parts of the scalp.
3. Setting Lotion
 - a. Use stylist recommended setting lotion all over head to help lay down any fly aways on scalp & braids. Cover head with scarf and let dry. Style as desired.
